## **University of Oklahoma Health and Safety Policy**

**The University of Oklahoma is committed to providing a safe and healthy environment for the entire University community and to complying with all applicable Federal and State laws and regulations pertaining to occupational and environmental safety.**

**Academic and administrative personnel with supervisory and teaching roles must ensure that procedures are developed and followed which are designed to prevent injury, protect the assets of the University, and protect the environment.**

**It is the responsibility of all University faculty, staff and students to follow safe working practices, obey health and safety rules and regulations, and work in a way that protects their health and that of others, and does no harm to the environment.**

**Signed on 3/8/96 by President David L. Boren**
